CLUB 21MIN THE KNOWLEDGES OF EXCELLENCE

InformaAzione created **Club21min** for the top managers and executives of global organizations and companies. 21min Club is also for key figures in philosophy, art, sciences and economics.

The aim of Club21min is to **contribute**, in a concrete way, to **global progress** and **well-being** through **business ethics**.

The key premise of 21min Club is that **being a leader**, on any level, means to remember that social function of a company is to allow its collaborators and clients to acquire a **higher quality of life**.

21min Club is a place for entrepreneurs, managers, consultants, researchers and opinion leaders that want to be the **real agents of change** in an environment that achieves **vision, creativity and strategy**.

With particular attention to quality, we work with a **selected group** of companies and **people that share the intents and values of 21min**..

21min Club gives you access to an **international network** of high profile individuals. Furthermore, membership includes a business consultation in Italy, United States, France, Germany, Czech Republic, China or Israel.
